

June NEWSLETTER

Center For Developmental Disabilities
101 Pocono Drive, Milford, PA 18337

Dear Families,

We have an exciting two weeks ahead at CDD! We will be celebrating our End of the Year Spirit Week with fun-filled activities and some yummy treats!

Thank you for your continued support! If you have any questions, please feel free to reach out via email: nmesser@cddkids.org or on Lillio.

Warmly,
Nicole Messier
Director of Programs

What We're Learning

- **Early Head Start Classroom:** Our little sunshine seekers will be playing, exploring, and discovering all things summer! They will be learning through water play, ice activities, sand play, and other fun sensory experiences as we get ready for summer. We can't wait to discover, create, and have fun in the sun!
- **Preschool Classrooms:** As our school year comes to a close, our classrooms are filled with excitement and pride! Some of our friends are getting ready to spread their wings and head off to Kindergarten, while others will be moving up to new classrooms and/or taking on new adventures. We'll be practicing songs, making lasting memories, and enjoying fun-filled days together. From learning and exploring to laughing and playing with friends, we'll be soaking up every moment before summer begins.

Upcoming Events

- June 1-5: End of the Year Spirit week (Please see flyer)

Classroom Spotlight

Students in classroom 6 were amazed as they watched caterpillars grow, change, and transform into beautiful butterflies right before their eyes!

Our students had an EGG-citing opportunity to witness the amazing life cycle of baby chicks! Over the past few weeks, the children eagerly observed eggs being carefully incubated and watched in amazement as tiny chicks began to hatch. They loved holding our new fluffy friends!
